

CTR meetings and lectures

At CTR, every-other Wednesday, we have administrative meetings running through the semester, followed by a scientific presentation, either by a CTR member or an invited scholar.

We kindly invite everyone interested to join these lectures.

Meeting 14:00-15:00

The first hour, 14:00-15:00, is mainly reserved for CTR members, yet if people like to join they are welcome.

The meeting consists of general administrative and CTR related news and information, as well as “News around the table”, where everyone shortly gives an update on their projects. Anyone participating in the meeting is expected to join this, also if you are not a member of CTR.

Presentation, c. 15:00-16:00

The presentation, of different research topics followed by a discussion, will start around 15:00. Please see the program below.

Please join the zoom link and you will be let in. We expect everybody to turn on the camera and have your name as the “name tag”. You are also more than welcome to join us at CTR, considering current covid restrictions. University of Copenhagen South Campus, room 11b.1.05.
