

# RENCONTRES ÉGÉENNES INTERNATIONALES/ INTERNATIONAL AEGEAN CONFERENCES

15 February 2009

Dear Colleague,

We have much pleasure in inviting you to participate in the

## **13th INTERNATIONAL AEGEAN CONFERENCE**

to be held at the **University of Copenhagen, 19-22 April 2010** on the theme

### **KOSMOS**

### **Jewellery, Adornment and Textiles in the Aegean Bronze Age**

and to deliver a paper on that occasion.

KOSMOS will address the issues of jewellery, costumes, aesthetics, body adornment, colours, dyes and pigments, textile production, luxury and exotics, gender and femininity/masculinity, as well as their social, religious, ideological, economic, technological, administrative and philological connections.

The Conference is being organized by the Danish National Research Foundation's Centre for Textile Research (CTR), University of Copenhagen, and by the University of Liège.

You'll find enclosed a provisional registration form. If you are interested, please complete this form and return it to Robert Laffineur by the end of March. A second circular will follow in September, with the conference programme, the list of colleagues interested in participating and giving a paper, as well as information on the stay in Copenhagen. Each paper should not exceed 25 minutes in order to have sufficient time left for discussion. The proceedings of the conference will be published in *Aegaeum. Annales d'archéologie égéenne de l'Université de Liège*.

We do hope that you will be able to join us in Copenhagen in April 2010.

Yours sincerely,

Marie-Louise NOSCH
